# ABOUT THE BOOK

## Description

Is there room in business for Consciousness? For years, it seemed as though the two were incompatible but now businesses are waking up to the idea of "Why not both?!" When business is combined with meditation, spirituality, and healing, powerful things can manifest and so the **Global Conscious Entrepreneurs Book Series** was born.

The debut release from the **Global Conscious Book Series**, **Global Conscious Entrepreneurs** explores the stories of forty - nine different authors from all over the world and all walks of life. Throughout the pages of this book, they share the personal stories behind their successes, their unique tools and strategies, and their life-changing messages of perseverance. Read about how you too can learn to manifest your soul's true purpose and attract success and abundance to your own business projects.

Curated by Dame Marie Diamond, this book will show you all the many ways in which the **Global Conscious Entrepreneur** can change the world, one customer at a time.

## Learn How To...
